

Lake Titicaca, Uros and Taquile Island Day by day description

Day 1 PUNO (OR JULIACA) / LLACHON

Arriving in Juliaca (by plane, bus or train) a vehicle will take you to the peninsula of Capa Chica to the community of Llachon. If you arrive early there is a chance to visit the Uros islanders located on a reed island opposite Llachon. Overnight at a rural lodge, dinner included.

Day 2 LLACHON / TAQUILE / PUNO

From our privileged location on the shores of Lake Titicaca we embark on a local sailboat or motorized boat to Taquile Island - only 45 minutes from the community dock. A chance to arrive in Taquile before the crowds and visit this unique island, reminiscent of the Mediterranean. Lunch at a local restaurant and return directly to Puno or via Llachon, heading to Puno overland. Either option is possible and can be arranged. Overnight in Puno, dinner on your own.
